

Urmston Grammar Sixth Form – Transition Work
Sociology Department

URMSTON GRAMMAR SCHOOL

**SOCIOLOGY
DEPARTMENT
TRANSITION TASK
2024**

TASK 1

Please enrol on this course and complete the various modules and quizzes.

<https://ondemand.tutor2u.net/students/introduction-to-aqa-a-level-sociology-getting-started>

This will provide you with a really good understanding of what to expect in Sociology over the next two years.

TASK 2

Research and write a response to one of the below questions. Your response should be approx. 500 words (about a side) and should quote relevant evidence.

There is no 'right' answer, but you should be able to convince the reader that you have good reasons for your point of view.

Good sources of information include the BBC and Guardian websites. There are some suggested links for some of the topics but you can use any resources you choose. Spend some time researching the topic area before writing your response.

Please have this ready to hand in to your class teacher in September.
